

## 2008/2009 Scholarship Application

Scholarships Of Up To \$1500 Each To Be Awarded In The Following Fields: Engineering (Civil, Geotechnical, Structural, Electrical, Environmental, and Mechanical), and Land Surveying

City of San Diego - Engineering and Capital Projects Dept (E&CP) and

American Council of Engineering Companies of California San Diego Chapter (ACEC California – San Diego)

## 2008/2009 Scholarship Undergraduate Application Criteria

Scholarships in amounts of up to \$1500 each are being offered. The dollar amount of individual awards will depend upon review of application.

All college level applicants must be attending a community college or university within San Diego county and have a declared major in one of the following fields: civil, geotechnical, structural, electrical, environmental, or mechanical engineering, or land surveying. The university must be an ABET and/or ACCE accredited institution (not required for community colleges). A minimum grade point average of 2.0 is desirable and college/university transcripts are required.

### Deadline: <u>Applications Must Be Postmarked On or Before December 5, 2008.</u>

#### A. Eligibility

Applicant MUST meet the following to be eligible to apply for this scholarship:

- 1. Be a college level sophomore, junior, or senior attending a community college or university within San Diego county.
- 2. Junior and senior level applicants **MUST** have at least one full academic year of course work remaining (a minimum of 24 units) at the beginning of the Fall 2009 term and must not be scheduled to graduate prior to the Fall 2010 term.

- 3 Enrolled in a minimum of 12 units per term (semester or quarter).
- 4. Pursuing a degree in the fields of civil, geotechnical, structural, electrical, environmental, or mechanical engineering, or land surveying.

The following individuals ARE NOT ELIGIBLE TO APPLY:

- 1. Current or previous City of San Diego employees.
- 2. Immediate family members of current or previous City of San Diego employees (i.e. daughter, son, sister, brother).
- 3. Prior recipients of this scholarship.

#### **B.** Requirements

- 1. Applicant is responsible for ensuring that all of the following items are submitted as one packet and postmarked by **December 5, 2008.**
- (a) Completed and signed application.
- (b) **Two** evaluation forms: One completed by a school faculty member and the other completed by a counselor, faculty member, work supervisor, community representative, or other person not directly related to the applicant.
- (c) **Transcripts** showing grades and courses (a copy is acceptable).
- 2. Incomplete applications will **not** be considered.
- 3. Students must be available to attend at least one awards ceremony/presentation (attendance at a minimum of two awards ceremonies/presentations is highly encouraged).
- 4. Additional materials (i.e. proof of college/university enrollment, etc.) may be requested, as needed, prior to distribution of checks.

#### C. Awards

- 1. Scholarships may be a maximum of \$1500 per student (dollar amount of individual awards will depend upon review of each application).
- 2. Applications will be reviewed, and recipients will be selected by the E&CP/ACEC-SD Scholarship Committee, with consideration of the applicant's grades, extracurricular activities, employment experience, and evaluation forms.
- 3. Scholarship recipients will be notified by mail in March 2009.
- 4. Checks will be distributed to the recipients in April 2009.

#### D. Miscellaneous

1. Send complete application packet to:

City of San Diego Engineering and Capital Projects Department 1010 Second Avenue – Suite 1100 San Diego CA 92101 Attn: Nazie M. Mansury

For additional information and/or copies of this application, please mail a correspondence to the address listed above or email nmansury@sandiego.gov.
