

VOLUNTEERS NEEDED!

SDSU MESA DAY PRELIMINARIES
Saturday, February 26, 2011

We need YOU to volunteer as a proctor or competition judge for our SDSU MESA Day Preliminaries!

Volunteer/Community Service Opportunity:

Pre-College students in the MESA Schools Program will be competing in the SDSU MESA Day Preliminaries with several projects, i.e. Windmill, Egg Drop, Popsicle Stick Bridges, Manila Folder Bridges, Mousetrap cars, and MUCH MORE, to determine who will represent the SDSU MSP at the MESA Day Regionals. Volunteers are needed as Judges and Proctors during these competitions on Saturday, February 26, 2011. Lunch will be provided.

Our MSP students always appreciate your support from our local science and engineering industries!

We would love to see you all again this year at our MESA Day Preliminaries!

If interested in volunteering, please email Michelle Jordan, Academic Coordinator, at mjordan@projects.sdsu.edu. Deadline is December 17, 2010.
