

GETTING INTO YOU

Summer 2011

Dear Prospective Graduate Student:

The Indiana University Graduate School would like to make you aware of our fall recruitment program, **"Getting You into IU"** for promising underrepresented and minority undergraduate seniors and masters students interested in applying to a PhD or MFA program at Indiana University Bloomington (IUB) or Indiana University-Purdue University Indianapolis (IUPUI). The event begins on Sunday October 9, 2011 and ends on October 11 for a single campus visit; or, October 12 for a two campus visit.

Participants will take part in a number of activities designed to provide insight into life as a graduate student and allow them to make an informed decision about pursuing their Ph.D. degree at IUB and IUPUI. Recruits will also be paired with current graduate students from their prospective graduate program. **Indiana University Graduate School and its campus partners will provide all travel, lodging, and meals for visiting participants selected for this program.**

We encourage you to submit a completed application for this recruitment event if you are interested in one of the Ph.D. programs listed (and hyperlinked) below:

IUB Programs:

[American Studies](#)

[Anthropology](#)

[Applied Health Science](#)

Biology

- [Evolution, Ecology & Behavior](#)
- [Molecular, Cellular &](#)

[Developmental Biology](#)

- [Microbiology](#)
- [Plant Biology](#)

[Biochemistry](#)

[Business](#)

[Chemistry](#)

[Chemical Physics](#)

[Communication and Culture](#)

[Computer Science](#)

[Criminal Justice](#)

Education

- [Counseling Psychology](#)
- [Human Development](#)
- [Inquiry Methodology](#)
- [Learning Sciences](#)
- [School Psychology](#)

[Gender Studies](#)

[Geography](#)

[History](#)

[Informatics](#)

[Kinesiology](#)

[Linguistics](#)

[Mathematics](#)

[Mathematical Physics](#)

[Neuroscience](#)

[Physics](#)

[Political Science](#)

[Psychological & Brain Sciences](#)

[Religious Studies](#)

[Sociology](#)

[Spanish and Portuguese](#)

[Speech and Hearing Sciences](#)

IUPUI Programs:

[Anatomy and Cell Biology](#)

[Biochemistry and Molecular Biology](#)

[Bimolecular Imaging and Biophysics](#)

[Cellular and Integrative Physiology](#)

[Medical and Molecular Genetics](#)

[Medical Neuroscience](#)

[Microbiology and Immunology](#)

[Pathology](#)

[Pharmacology & Toxicology](#)

Visit will include:

- Individual and group meetings with IU faculty pre-arranged separately for each participant
- Opportunity to sit in on classes in the participant's discipline of interest
- Tours of departments and research facilities
- Sessions on preparing competitive applications for graduate admission and fellowships
- Formal and informal sessions with current graduate students to talk about degree programs and graduate student life at Indiana University
- Tours of the local area

Participants must be US citizens or Permanent Residents who will have completed a bachelor's degree by the 2012-13 academic year. The application process for "**Getting You into IU**" consists of: (1) the participant's completion of the online application and (2) an online nomination of the participant by a faculty, research scientist or other mentor.

Complete applications, faculty/mentor nominations and transcripts must be received by **September 2, 2011**.

By clicking on the following link you will be asked to: provide a brief summary of your academic and research experiences; indicate the name of your prospective Ph.D. program; identify three to five faculty members you wish to meet during your visit.
