

E Portfolio Workshop

Friday, July 15, 2011

Engineering 300 (E 300)

11:00 am – 12:30 pm

Facilitator: Lisa Wortman, M.A.

Learn How to Create a Electronic Portfolio to:

- Promote yourself and use as a networking tool for prospective graduate program recruiters/future employment
- Showcase your research and educational work experience
- Highlight your achievements
- Provide access to your CV and publications
- Reflect on your work and future aspirations
- Summarize your skills and achievements relevant to your professional development goals.
