

PG&E \$1 Million Scholarship Program

Awarding up to \$1 million in scholarships ranging from \$2,500 to \$30,000

Rewarding perseverance

What's your story?

At PG&E we believe in supporting our communities with more than the power that runs through the lines. We believe in education and the power that education has in strengthening a community.

That's why we're awarding scholarships to bright minds who have given back to the local community or who have overcome great personal challenges. **Share your story.**
