

# (STEM)<sup>2</sup> EXPLORATION DAY

A career exploration event in science, technology, engineering and mathematics

## Interested in giving back to your community?

The Pre-College Institute at SDSU is organizing a STEM Exploration Day on Friday, March 22nd, for 150 low-income middle school students.

We are looking for student organizations to participate by conducting engaging (hands-on) STEM activities or laboratory tours.

SCIENCE

TECHNOLOGY

ENGINEERING

MATHEMATICS
