
Are you looking for a rewarding job working in schools?

SDSU's Math Science Teacher Initiative (MSTI) has MSTI Mathematics Tutor positions available now for the 2012-2013 academic year.

JOB INFORMATION

Who Should Apply?:

Undergraduate San Diego State University students with advanced course work in mathematics and/or engineering, and interested in a job opportunity as a mathematics tutor in middle or high schools.

Duties/Responsibilities:

The SDSU student will serve as a MSTI Mathematics Tutor to students in a Linked Learning Pathways school site with the San Diego Unified School District (SDUSD).

This position is part-time and the MSTI Tutor is responsible for scheduling work time around their class schedule.

Qualifications:

- Must be an SDSU student and enrolled in a minimum of 6 units of classes (Undergraduate)
- Must be interested in working in a middle/high school setting
- Must have advanced course work in math and/or engineering
- Some experience in tutoring is preferred, but not required
- Math major is preferred, but not required
- Must be available to work 10-20 hours per week at \$10/hour
- Must be able to provide their own transportation

If interested, please contact Mernie Aste, MSTI Coordinator:

Phone: (619) 594-8302 - Email: sdsu.msti@mail.sdsu.edu

Website: <http://go.sdsu.edu/education/msti/> - MSTI Office: EBA-222A

Once you spend time with students, you may consider teaching as a career path!
