# penn state STEM

fall 2013 | open house

September  
27th - 29th

## Interested in Graduate School?

Penn State is hosting a collaborative Open House. The College of Earth and Mineral Sciences, College of Engineering, and Eberly College of Science invite underrepresented and under-served, junior or senior undergraduates, with an interest in attending graduate school, to visit University Park. Top students with a passion for research backgrounds will be invited to learn about future opportunities and graduate student-life.

- Explore research interests while meeting with potential research advisors
- Talk with Penn State faculty, staff, and students about graduate student-life
- Visit with graduate admissions and departments
- Tour University Park campus and the surrounding State College area
- Enjoy complimentary meals, transportation and hotel accommodations

**Apply online:** [www.gradsch.psu.edu/OpenHouse](http://www.gradsch.psu.edu/OpenHouse)

Applicants must be US citizens or permanent residents. The application deadline is August 20th. Accepted applicants will be notified no later than two weeks after the application deadline.
