

SAN DIEGO STATE
UNIVERSITY

The MESA Schools Program is the K-12 branch of MESA. In San Diego, there are two K-12 programs serving schools in San Diego County and Imperial County. We work with underrepresented and educationally disadvantaged students over a large network of over 40 middle and high schools.

We want to work with the local university chapters of STEM student organizations to reach out and make an impact in our SD community. Get in touch with us to meet your outreach goals and to volunteer at our events.

Serving schools in the following areas:

- San Diego • Lemon Grove • Borrego Springs • Vista • Escondido • El Centro • Calexico

2013-2014 Outreach/Volunteer Opportunities

- February 8, 2014 - MS MESA Day @ SDSU
- February 22, 2014 - HS MESA Day @ SDSU
- March 8, 2014 - MS/HS MESA Day @ Imperial Valley
- April 26, 2014 - MESA Olympics/Robotics Challenge & Engineering Your Future Day @ SDSU

Employment Opportunity for SDSU undergrads:

We are hiring passionate individuals to join our staff as Undergraduate Student Assistants. Contact us for a job description and application.
